

# High-Rise

You encounter some penguins laying the foundation for a block of skyscrapers.

S		
N		
A		
P		

The penguins add 4 more tiles, creating a 2-tile stack where a new tile covers an old one. This new addition looks unsafe, though...

S	O	L	L
N		A	
A		I	
P		D	

Worried that the penguins don't know much about safety, you rush in to help. You lay down 3 more tiles, reusing the S from before.

S	O	U	L
N			
A			
P			

You add more tiles to make sure everything is stable.†

S	O	L	I
N		A	N
A		I	F
P		D	O

You and the penguins alternate placing new tiles, with you fixing their issues (if any) as they arise:

S	O	L	E
N	A	A	
A	I	S	
P	D	Y	

→

S	O	L	E
N		A	A
A		I	S
G	I	R	T

→

B	O	L	E
A		A	A
R	I	S	
D	I	R	T

→

B	O	L	L
A		A	A
R	E	V	S
B	R	A	S

Sometimes the penguins create multiple issues...

B	O	L	L
A		A	A
R	E	V	S
D	I	R	E

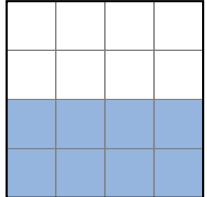

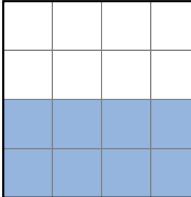

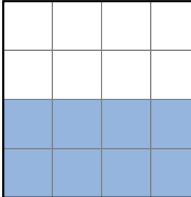

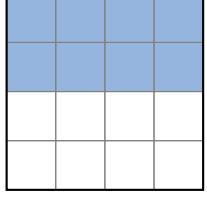

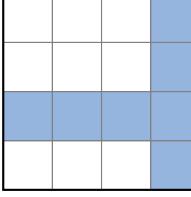

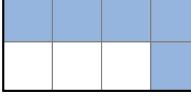

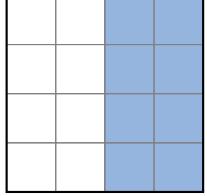

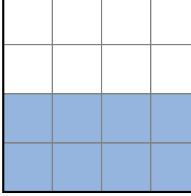

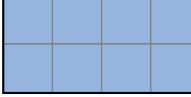

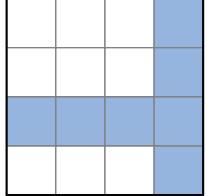

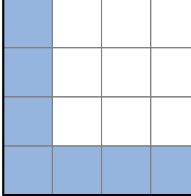

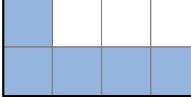

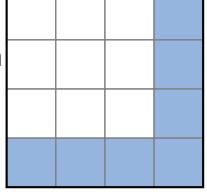

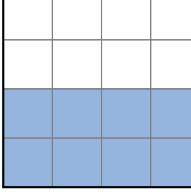

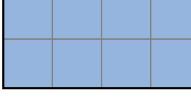

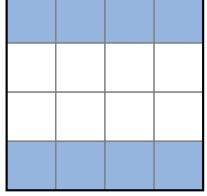

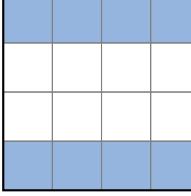

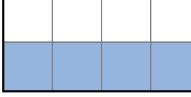

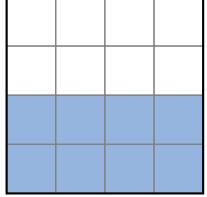

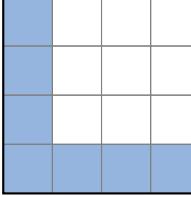

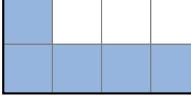

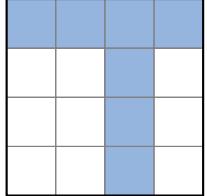

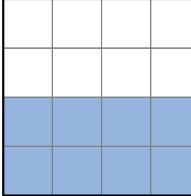

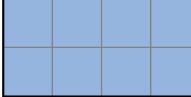

... but you're always able to fix things in a single step.

B	O	L	L
A		A	A
R	E	V	S
B	R	A	S

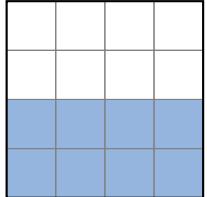

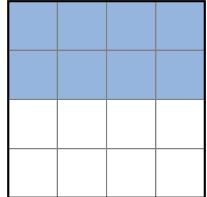

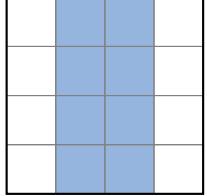

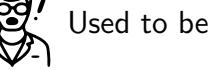

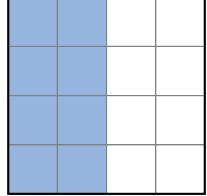

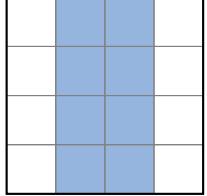

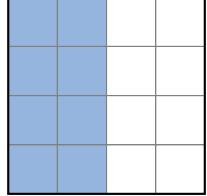

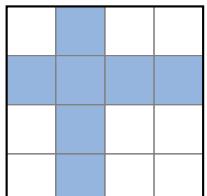

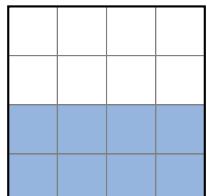

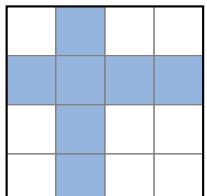

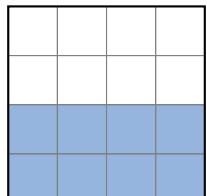

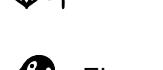

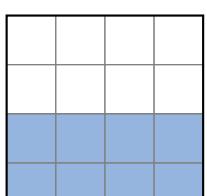

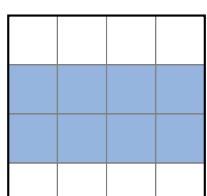

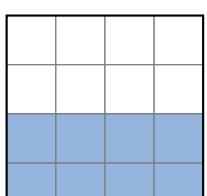

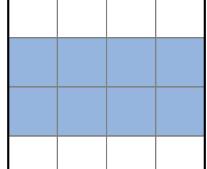

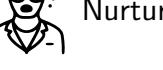

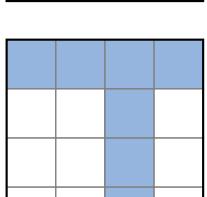

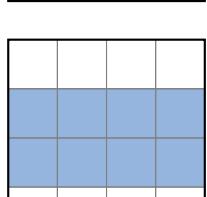

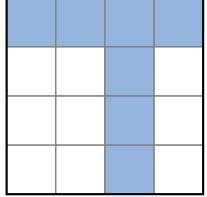

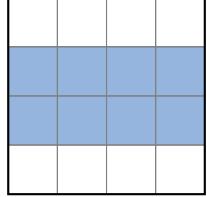

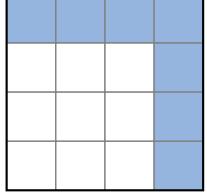

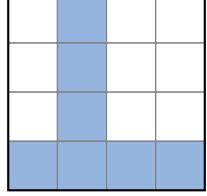

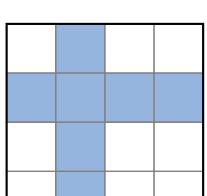

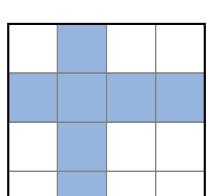

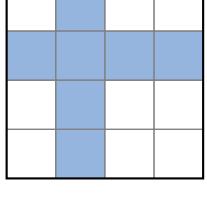

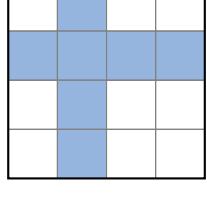

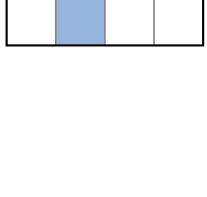

**Keep on building!** When the skyscrapers are finished, you take a walk around the block, note the number of buildings you see, and count down until the first tenant arrives.

† The rules for stable buildings can be found in the Specifications On Worksite Planning, Operations, and Design of Skyscrapers (SOWPODS).
