

# Sack of Gifts

*Nine 'penguins' from places not remembered  
write to Santa for gifts this Christmas.*

Dear Santa,  
I'm trying to ascend to God-hood, and it would be very helpful if you could send me the Jathiman Dagger.

Dear Santa,  
I have to replace my hat so  
people don't call me the drow  
with the stupid hat. Can you  
send me a better one?

Dear Santa,  
I've been a bit dismembered lately. The only presents that would be useful to me are hand cream and eye drops.

Dear Santa,  
I have not been good this year.  
But you better send presents  
to the Abyss if you know  
what's good for you. Each of  
my two heads requires a  
distinct gift.

Dear Santa,  
All I want for Christmas is a  
small hat for my miniature  
giant space hamster, Boo.

Dear Santa,  
I seek the devil Karlach. Please  
grant me a map to her loca-  
tion.

Dear Santa,  
I'm not picky. Any magical  
item will do, though I do ap-  
preciate a good boot (to eat,  
not to wear).

Dear Santa,  
For Christmas, I am plagued by  
a black spot on my hand that  
my clerical powers cannot fix.  
Please send an ointment.

Dear Santa,  
Can you ask your elves to  
make me some merch with my  
sword's motto, "Neither Virtue  
Nor Blade Shall Break"?

Santa has sorted them from nice to naughty by multiple metrics. Fill in his list and make sure that adjacent penguins each have something in common.
