

Fish Are Food, Not Friends

A taskforce analyst in the U.S. is helping you track some chatty penguins that are out fishing on an island near the station. They're so hungry, all they can think about is their favorite dishes.

Mind your manners, or someone shapes you into a patty with matzah and poaches you against your will. (7)

Six of one, half dozen of pie toppings for some other. (7 5)

A bad attitude will land you going vegetarian; that's the penalty box. (8 8)

Which came to salt and ferment, the seeds or the sunflower? (7)

Sometimes you gotta learn to slice very thin and not die. (4 7)

You can't learn a life lesson from amputating twice, fortune cookie. (4 4)

Frosting is just the icing on deep-fried cake. (5 8)

You must learn to waddle dredged in flour, pan-fried in butter you can swim. (6 8)

Covering with cheese is believing. (4 4)

Steal its eggs, they were made to be broken. (6)
